Dear Chairman Isenberg:

Regarding the proposed MLPA's, I support adoption of Package 1 for the Carmel Area. I am a kayak fisherman and kayak spear fisherman. I think it is important to leave areas open to fishing that are accessible by kayak, such as Stillwater Cove. I would agree that the Pinnacles area should be protected; I used to kayak out there to tank dive-spearfish, and I usually just looked instead of hunting in that area. Let's be fair to everyone involved, including the wildlife!

Sincerely,
